

Peanut Changing Pad

USERS GUIDE

- ① Ensure that the bottom of the Peanut Changer is dry and place Peanut Changer on a smooth, flat, dry surface, preferably the top of a dressing table or bureau, that is at least 32" long by 17" wide.
- ② To secure the Changer, peel off the protective cover from one side of the Safety harness hook & loop patch and stick to flat surface of the table top. Check the location of the Changer, insuring that it fits on the surface completely with no overhang. Press hook & loop patch firmly down onto the surface. Allow the adhered safety harness to stay in place overnight prior to using the Peanut Changer for the first time.
- ③ Audible "click" must be heard when securing child into your Peanut Changing Pad.

CAUTION:

Hook & loop patch adhesive may cause marring or discoloration of some surfaces. Bergeron By Design is not responsible for any damage to surfaces.

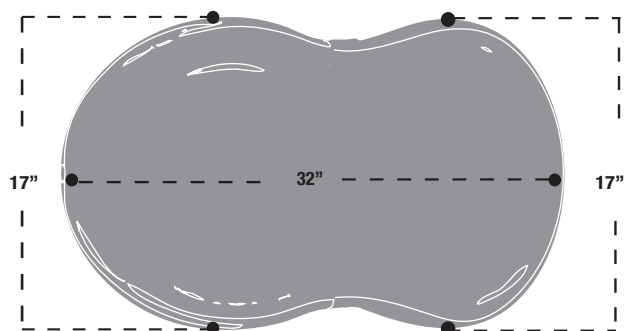

Adhesive residue may be removed from the surface using a citrus cleaning solution. Always gather all your changing needs and have them ready

BEFORE placing your child into the Peanut Changer.

WARNING

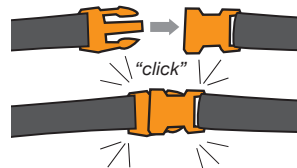

FALL HAZARD – to prevent death or serious injury, always keep child within arm's reach. ALWAYS secure this product to a smooth, flat surface that is level, stable, and structurally sound with a minimum surface dimension of 17 inches by 32 inches. Always secure this pad to the changing surface by engaging the Hook and Loop Tabs provided. Read all instructions before use of the changing table, add-on changing unit, or contoured changing pad. Keep instructions for future use. Manufacturer's Recommended Maximum Weight of Child is 30 Lbs. Do not use changing pad if damaged or broken. NEVER lift this product with child in it.
